## ABOUT THE ORGANIZATION

SUNFLAKS Foundation is a registered Non-Profit Trust committed to the education, empowerment, and well-being of special needs children and underprivileged communities. Our mission is to create a more inclusive world where every individual, regardless of their ability or background, has the opportunity to learn, grow, and thrive. Through focused efforts in education, therapy, and awareness, we strive to build a community rooted in compassion, acceptance, and belonging.

We work across diverse sectors including special education, therapeutic support, personalized learning, health care, senior citizen care, and women's empowerment. Our programs are designed to address both developmental and social needs, ensuring that every person we serve receives the right care and opportunities for growth.

At SUNFLAKS, we provide individualized education and therapy programs for children with learning and developmental challenges. We also conduct health and wellness initiatives, medical camps, and counselling sessions to promote physical and emotional well-being. For women and caregivers, we create avenues for In addition, our senior citizen care programs focus on providing companionship, healthcare support, and a sense of community to the elderly. We also organize awareness campaigns and outreach programs that encourage inclusion and social responsibility within the larger society.

Every initiative at SUNFLAKS Foundation is guided by empathy and purpose. We believe that even the smallest act of kindness can make a lasting difference – spreading light, hope, and happiness to every life we touch, vocational training and economic empowerment, helping them gain confidence and self-reliance.

## OUR PLEDGE OF CARE

"We are committed to building a world filled with compassion, inclusion, and hope where every life is valued and every heart feels heard. We stand beside children with special needs, women seeking strength, the elderly longing for care, and individuals in need of healing. Through education, empowerment, therapy, and holistic support, we strive to touch lives with kindness and purpose. Together, we work to create a community that nurtures growth, restores dignity, and celebrates the beauty of every human journey".

## VISION

To build an inclusive and compassionate world where every individual regardless of age, ability, or background is empowered to live with dignity, purpose, and joy.

## MISSION

### 1. **Special education services:**

To empower every special child with care, education, and opportunities to lead a life of dignity and joy.

### 2. **Therapeutic Support:**

To offer holistic therapeutic care that nurtures emotional well-being, healing, and personal growth for individuals of all ages.

### 3. **Personalized Education:**

To provide tailored education and skill development, helping each individual discover their potential and purpose.

### 4. **Women Empowerment:**

To support and uplift women through education, skill training, and opportunities that inspire independence, confidence, and leadership.

## 5. Senior citizen care and services:

To extend compassion and care to the elderly and orphaned, fostering a sense of belonging and hope.

## 6. Health and Development:

To promote physical and mental well-being through accessible healthcare, awareness, and community-based development initiatives.

## VALUES WE FOLLOW

- Collaboration - We work with stakeholders for holistic impact.
- Compassion - We respect and celebrate diversity.
- Integrity - We operate with utmost honesty and transparency.
- Inclusion - We respect and celebrate diversity.

## EXECUTIVE SUMMARY

During the financial year, SUNFLAKS Foundation implemented a range of impactful initiatives focused on education, healthcare, and community empowerment. Key programs included health camps for adults and children, physiotherapy services, and awareness sessions promoting overall well-being.

## KEY IMPACT HIGHLIGHTS

- Conducted multiple health and wellness camps with specialist doctors.
- Initiated physiotherapy sessions for individuals with mobility challenges.
- Promoted awareness on health, hygiene, and inclusive practices.
- Provided stationery kits for the students.

## COMMUNITIES SERVED

- Senior citizens.
- Special needs children.
- Women and caregivers.
- Adults in rural and underserved communities.

# SERVICE ACTIVITIES

## Service 1 - "Education Empowerment Program" Distribution of stationeries in Government school

- Objective: To support children from underprivileged backgrounds by providing essential stationery and encouraging continued participation in education.
- Target Group: Children
- Location: Bengaluru, Chikkadevasandra
- Description: This initiative was conducted to ensure that students have access to basic educational materials required for their learning. Stationery kits were distributed to children in a government school, helping reduce barriers to education and motivating them to actively engage in their academic journey.
- Key Outcomes:
  - < Number of beneficiaries: 50
  - < Impact created: Improved access to learning resources, increased motivation among students, and support for continued education.
- Support Provided: Distribution of stationery kits including notebooks, pens, pencils, erasers, sharpeners, scale, crayons, paints, geometry kit and other essential school supplies.

## Service 2 - HealthCare Empowerment Program

### • Mental health and wellness sessions conducted in school

- Objective: To promote mental well-being among students by creating awareness about emotional health, stress management, and positive coping strategies in a supportive school environment.
- Target Group: Children
- Location: Bengaluru, Banaswadi
- Description: This initiative focused on conducting mental health and wellness sessions in schools to help students understand the importance of emotional well-being. The sessions included interactive discussions and activities aimed at building self-awareness, managing stress, and encouraging open communication, empowering students with practical tools to maintain a healthy mindset.
- Key Outcomes:
  - < Number of beneficiaries: 68
  - < Impact created: Improved emotional awareness and resilience among students, enabling them to better manage stress and challenges. It created a more supportive and open environment, encouraging students to express themselves and seek help when needed.
- Support Provided: Mental health awareness sessions, interactive activities, and guidance on stress management and emotional well-being, along with basic counselling support and resource materials for students.

## Service 3 – HealthCare Empowerment Program

### • Blankets distribution for the Senior citizens in an Orphanage

- Objective: To provide warmth, comfort, and care to senior citizens by addressing their basic needs, especially during colder conditions.
- Target Group: Senior citizens residing in an orphanage
- Location: Bengaluru, Kalyan Nagar
- Description: This initiative focused on distributing blankets to senior citizens living in an orphanage to ensure their comfort and well-being. The activity aimed to support the elderly by meeting essential needs and showing care and compassion, while also fostering a sense of dignity and belonging among them.
- Key Outcomes:
  - < Number of beneficiaries: 60
  - < Impact created: Improved comfort and protection from cold, along with emotional support and a sense of care among the elderly residents.
- Support Provided: Distribution of blankets which are new and in good condition to senior citizens.

## Service 4 – HealthCare Empowerment Program

- **Free Physiotherapy sessions for an adult with lower limb challenge.**

- Objective: To support mobility improvement and enhance the quality of life of an individual with a lower limb challenge through structured physiotherapy.
- Target Group: Adult with lower limb challenge
- Location: Bengaluru, Austin town
- Description: This initiative involved providing free physiotherapy sessions in a gradual and structured manner to help the individual regain strength and stability. The therapy initially focused on enabling the person to stand independently, followed by steps towards walking. With consistent rehabilitation, the program aims to improve mobility and overall independence, with a future plan to support the individual with a prosthetic lower limb.
- Key Outcomes:
  - < Number of beneficiaries: 1
  - < Impact created: Improved physical strength and mobility, increased confidence, and progress towards independent movement.
- Support Provided: Free physiotherapy sessions, guided rehabilitation, and planned support for prosthetic assistance.

## Service 5 – HealthCare Empowerment Program

### • Free Dental Health camp for children in rural village

- Objective: To provide accessible dental care and promote awareness about oral hygiene among children in rural areas.
- Target Group: Children
- Location: Kanakpura
- Description: This initiative focused on conducting a free dental health camp for children in a rural village. Qualified dental professionals provided basic check-ups, identified early signs of dental issues, and educated children on proper oral hygiene practices. The camp aimed to encourage preventive care and build healthy habits from a young age.
- Key Outcomes:
  - < Number of beneficiaries: 42
  - < Impact created: Early detection of dental issues, improved awareness of oral hygiene, and promotion of healthy dental practices among children.
- Support Provided: Free dental check-ups, oral health awareness, and distribution of dental kits.

## Service 6 – HealthCare Empowerment Program in collaboration with Gungun Foundation

- **Free Health camp for adults in rural village**

- Objective: To provide accessible general health check-ups and promote awareness about preventive healthcare among adults in rural communities.
- Target Group: Adults
- Location: Gauribidanur
- Description: This initiative involved organizing a free health camp for adults in a rural village, where a team of medical professionals conducted general check-ups and basic screenings. The camp aimed to identify early signs of health issues, provide medical guidance, and encourage individuals to adopt healthier lifestyles through awareness and preventive care.
- Key Outcomes:
  - < Number of beneficiaries: 21
  - < Impact created: Early detection of health conditions, increased awareness about health and hygiene, and improved access to basic healthcare services.
- Support Provided: Free health check-ups, medical consultations, and health awareness guidance.

## Service 7 - HealthCare Empowerment Program in collaboration with Gungun Foundation

### • Free Health camp for children in rural village

- Objective: To provide accessible general health check-ups and promote overall health awareness among children in rural communities.
- Target Group: Children
- Location: Gauribidanur
- Description: This initiative focused on organizing a free health camp for children in a rural village, where general physicians and orthopedic specialists conducted basic health check-ups. The camp aimed to monitor children's health, identify early signs of potential issues, and promote healthy habits through awareness and guidance.

### • Key Outcomes:

< Number of beneficiaries: 120

< Impact created: Early identification of health concerns, improved awareness among children and caregivers, and encouragement of healthy lifestyle practices.

- Support Provided: Free health check-ups, medical guidance, and health awareness support.

# IMPACT SUMMARY

## TOTAL BENEFICIARIES

The foundation reached and supported a significant number of individuals across children, adults, and senior citizens through its various initiatives. The total beneficiaries reached in the FY 2024-25 was **362**.

## TYPES OF SERVICES CONDUCTED

- Health camps for adults and children in rural communities
- Dental health camps and awareness programs
- Mental health and wellness sessions in schools
- Physiotherapy support for individuals with mobility challenges
- Distribution drives (stationery, blankets, and essential kits)
- Education and therapy programs for children with special needs

## KEY ACHIEVEMENTS

- Improved access to healthcare and early detection of health issues
- Enhanced awareness on physical, mental, and oral health
- Supported education through distribution of essential learning materials
- Strengthened community well-being and inclusion across diverse groups

# **FUTURE PLANS**

## **UPCOMING INITIATIVE**

SUNFLAKS Foundation plans to expand its education and healthcare programs by conducting more health camps, therapy sessions, and awareness workshops in underserved communities. The foundation also aims to initiate therapeutic, special education, and rehabilitation services for children with special needs, ensuring comprehensive and continuous support for their development.

## **EXPANSION GOALS**

The foundation aims to extend its reach to more rural and semi-urban areas, benefiting a larger number of children, adults, and senior citizens. Efforts will also be made to collaborate with medical professionals, institutions, and volunteers to enhance the quality and scale of services.

## **LONG TERM VISION**

SUNFLAKS Foundation envisions building an inclusive and supportive ecosystem where individuals of all backgrounds and abilities have access to quality education, healthcare, and opportunities for growth. The goal is to create sustainable impact by empowering communities and promoting dignity, independence, and well-being for all.

## CONCLUSION

SUNFLAKS Foundation remains committed to creating meaningful and lasting impact through its focused efforts in education, healthcare, and community empowerment. Over the past year, the foundation has taken significant steps towards improving the quality of life for children, adults, and senior citizens, especially in underserved communities. Each initiative reflects our dedication to inclusion, compassion, and holistic development.

With the continued success and positive impact of our programs, we seek to strengthen and expand our efforts further. We sincerely request consideration for permanent registration, which will enable us to scale our initiatives, reach more beneficiaries, and continue serving the community with greater effectiveness and sustainability.
